

## **Drs. Wani Wall Mihich Postdoctoral Scholarship**

### **Area of Study**

Candidates who are selected as Drs. Wani Wall Mihich Postdoctoral Scholars will have opportunities to work on novel anticancer drug development and mechanism of action studies.

### **Qualification of the Candidates**

Applicants should be talent, dedicated and will-trained individuals with PhD degree for less than 5 years (prefer within 3 years). Competitive candidates are those who are highly interested in and have a good ability on the studies of novel anticancer drug mechanism of action and molecular cancer therapeutics.

### **Compensation and Program Terms**

The initial year compensation will be from \$35,000 to \$50,000 based on the overall qualification and previous experience of a candidate. Compensation adjustment from the second year will depend on the previous year performance. The program term is for 3 years or more.

### **Documents that Need to Be Provided by Applicants**

Favorable applicants need to read relevant publications collected on the Canget website under the "Publication & News" section. The applicants are required to write some succinct research thoughts related to the potential follow-up studies to demonstrate the applicants' wisdom for consideration. Competitive applicants will have freedom to explore his/her own ideas under the team leader's supervision.

Applicants also need to provide his/her updated resume or CV with information of at least three references for contact.

### **To Whom Should the Applicants Send Their Documents**

Applicants should send the required documents to Dr. Xinjiang Wang ([Xinjiang.Wang@RoswellPark.org](mailto:Xinjiang.Wang@RoswellPark.org)) or Dr. Fengzhi Li ([fengzhi.li@roswellpark.org](mailto:fengzhi.li@roswellpark.org)). Successful candidate will have the title of **Drs. Wani Wall Mihich Postdoctoral Scholar** for doing research work in the Department of Pharmacology and Therapeutic, Roswell Park Cancer Institute (Buffalo, New York). The research work will be under supervision from Dr. Xinjiang Wang and/or Dr. Fengzhi Li.

**Of note, recruitment of Drs. Wani Wall Mihich Postdoctoral Scholars is an activity throughout the year without deadline.**
